Complete SUP Packages

Designed to be versatile and stable for fishing, the Serena Angler is a stand-up paddle board (SUP) that redefines the way people fish, paddle and surf. The Serena Angler can be accessorized like no other. Rod holders, drink holders, paddle clips, coolers and more can all be installed on the Angler within seconds. You will be able to glide through waterways with stability and fish and carry your equipment to all of your secret spots.

The Serena Angler Boards are made of hand finished EPS foam core and wooden stringer for added strength, with 3 layers of 6 oz. fiberglass from nose to tail and an extra 6 oz. layer of fiberglass added to the mid-section of the board. The bottom of the board is finished with 2 layers of 6 oz. fiberglass.

The Angler is a great general purpose SUP for a variety of users that want to enjoy a paddleboard and also be able to utilize it for fishing and other activities. It has exceptional tracking and stability, perfect for lake and flat water paddling. There are Built-In Tie Down Anchors for optional gear storage and other uses. We have added a Lo-Profile Keel Fin, ideal for paddling in weed conditions and through tough fishing areas.
