*Serena Classic Hard Top SUP*

*Serena Cruiser Soft Top SUP*

## Complete SUP Packages

Our Serena Classic Hard and Cruiser Soft Top Paddle Boards are versatile all-around boards: wide width stability for first time paddlers, maneuverability and control for intermediate and experienced paddlers, and a sleek tapered tail designed for control for both ocean waves and flat water.

Hard Top boards are made of a hand finished EPS foam core and wooden stringer for added strength, with 3 layers of 6 oz. fiberglass from nose to tail and an extra 6 oz. layer of fiberglass added to the mid-section of the board. The bottom of the board is finished with 2 layers of 6 oz. fiberglass.

Soft Top SUPs have an inner core of high density EPS foam, double wooden stringers, and 2 layers of 6 oz. fiberglass. They are then wrapped in closed cell EVA foam for the decks and rails and a slick skin surface for the bottom of the board. The nose, tail and rails are reinforced with solid EVA bumpers and the top includes a deck traction pad insert.

## All Packages Include:

- EVA Deck Pad
- Integrated Handle
- 3 Fin System
- Automatic Vent Plug
- Coiled Leg Leash
